## REACH and SVHC Statement

The European Regulation 1907/2006 on Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) entered into force on June 1, 2007. The goal of REACH Compliance is designed to improve the protection of human health and the environment through better identification of the properties of chemical substances which posed a SVHC risk.

Alconex Specialty Products, Inc. and our suppliers are committed to fulfill our obligations under REACH. We seriously take into consideration the impact of our products have to health and the environment. All products supplied to our customers are complaint with REACH directive and contain no chemicals listed with the regulation. The compliance status of the products is based on the latest substances as updated by ECHA on July 8, 2021. Please refer to the following ECHA list for the most current candidate list of substances: <http://echa.europa.eu/candidate-list-table>.

Additional information on the European Union's REACH regulation can be found here: <https://echa.europa.eu/regulations/reach/understanding-reach>

Based on the material content certifications provided by Alconex Specialty Products, Inc. suppliers, none of these substances are present in the materials we use in our products, including packing and shipping materials. Therefore, Alconex Specialty Products, Inc. products do not contain any of these SVHC in excess of 0.1% by weight.

Alconex Specialty Products, Inc. will continue to comply with REACH requirements and notify customers of any change in article content.

Should you have further questions, please do not hesitate to contact us.

## California Proposition 65 Compliance Statement

As part of our regulatory compliance effects, we continue to monitor potential regulatory, safety, health and environmental impact of using your products. California Proposition 65, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986, became law in November 1986. Proposition 65 requires businesses to provide warnings to Californians (and others doing business in the State of California) about significant exposures to chemicals that are known to cause cancer, birth defects or other reproductive harm.

Alconex Specialty Products, Inc. and our suppliers are committed to fulfill our obligations under California Proposition 65 Compliance. We seriously take into consideration the impact of our products have to health and the environment. All products supplied to our customers are complaint with California Proposition 65 Compliance and contain no chemicals listed with the regulation.

For more information on warnings, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Based on the material content certifications provided by Alconex Specialty Products, Inc. suppliers, none of these substances are present in the materials we use in our products, including packing and shipping materials. Therefore, Alconex Specialty Products, Inc. products do not contain any of these listed on California Proposition 65 Compliance.

Alconex Specialty Products, Inc. will continue to comply with California Proposition 65 Compliance requirements and notify customers of any change in this content.

Should you have further questions, please do not hesitate to contact us.

## Conflict Minerals Statement

The Securities and Exchange Commission (SEC) requires that certain companies must disclose the use of “conflict minerals” in their products. Alconex is committed to ensuring that the products it sells do not incorporate "conflict minerals," which are 3TG minerals (tin, tantalum, tungsten and gold) sourced from entities which directly or indirectly finance conflict in the Democratic Republic of Congo or adjoining countries.

Based on the material content reports provided by Alconex Specialty Products, Inc. suppliers, none of these 3TG minerals are present in the materials we use in our products, including packing and shipping materials. Therefore, Alconex Specialty Products, Inc. products do not contain any of minerals, nor 3TG's listed with SEC.

Alconex Specialty Products, Inc. will continue to comply with Conflict Mineral Act and notify customers of any change in this content.

Should you have further questions, please do not hesitate to contact us.
